5. This Stipulation is the result of compromise between the Parties, and the terms of this Stipulation shall not be offered or received in evidence in any action or proceeding for any purpose, except in an action to enforce the terms of this Stipulation.

6. This Stipulation represents the entire agreement between the Parties and supersedes all prior agreements and understandings, whether written or oral, with respect to the subject matter

hereof and, except as expressly provided herein, is not intended to confer upon any person any rights or remedies hereunder.

7. The Parties and undersigned persons represent and warrant that they have full authority to execute, deliver and perform their respective obligations under this Stipulation and that the respective Parties have full knowledge of, and consented to, this Stipulation.

8. This Stipulation shall be binding upon the Parties hereto and each of their affiliates, assigns and successors.

9. Each Party shall cooperate and take such actions as are reasonably necessary to consummate the actions contemplated by this Stipulation and obtain approval of the Stipulation and entry of the proposed Order. The Parties stipulate to the entry of the proposed Order.

10. This Stipulation was the product of negotiations between the Parties and any rule of construction requiring that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Stipulation.

11. The Bankruptcy Court shall retain, and each of the Parties irrevocably consents to, exclusive jurisdiction with respect to all matters arising from or related to this Stipulation, including, without limitation, for purposes of enforcing the terms and conditions of this Stipulation. This Stipulation shall be governed by the domestic laws of the State of Delaware, without giving effect to any choice of law or conflict of law provision or rule (whether of the State of Delaware or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than the State of Delaware.
